

OUR DIVINE REBIRTH - 12 DNA restored

Crystalai

cosmicdolphinmagic.ning.com

The Promise of the PERFECT KINGDOM has already arrived. The Divine Blue Print of the Perfect Man created in the image and likeness of God has already arrived. The 12 DNA template of the original Taran, Oraphim, Aquafarian, Paradisian Race Line has been reinstated into the Sphere of Amenti within the Earth's Etheric Core. The Sphere of Amenti is the Morphogenetic Field (Consciousness created by the interweaving of Sound and Light Particles of the Complete Soul Matrix of all Races on Earth). That 12 DNA SHIELD was completed on December 21, 2012. That was the date that our Cosmic, Universal and Galactic Founders, Guardians and Creation Race lines chose for this completion because it was the exact date that there would be enough Frequencies in the Body of Earth to hold the implantation of such a huge amount of Frequencies. The Promise of the return of the Sphere of Amenti was postponed for 22,000 years because there were not enough Frequencies in the Earth's template to hold the incoming Star Activation. If they had completed their mission at that time, the Earth would have eventually exploded.

The Perfect Kingdom of the Divine Blue Print of the planetary body and human body made in the image and likeness of God is exactly that. It is a template with a programmed blue print like a piece of film in a camera. The picture of the divine creation was placed on the film through the Mind of God, first as a negative, which is like a negative ion. Next, the negative is flashed into the Consciousness of the Idea created on the negative and developed into a picture or a positive ion. Unfortunately, when a picture becomes developed in the outer domains of the five spheres of Consciousness, it can be manipulated, distorted and completely damaged by outside sources. This could be likened to what can be done to characters on the movie screen who are morphed into new images by the film editor. That is basically what happened to God's original movie. It got morphed into a completely distorted illusion. Now, we are re-making God's movie. Now, the original negative of the picture of the man made in God's image and likeness is being put back in the movie camera. Now, that new movie will be played through the restored Earth's Khristiac Grid. The frequencies of the divine blue print, which would be the negative of the picture, or the negative ions, will be dispersed from the Sphere of Amenti (the camera holding the corrected ionized film with the divine blue print imprinted upon it). Now that camera, holding the corrected movie pictures will flow into the Earth's grids and then into the biosphere of the human angelic template. That bio-energetic field will be filled with the negative ion holding the divine blue print created in the Cosmic Consciousness pre sound and pre light field. This is the point in creation when Source breathes the Divine Idea onto the Heliotalic Plasma, Silver, Pink, Purple, Gold Pastel Frequency Grid of the Negative Ion that comes down from heaven as the Purple Rain of the rebirth of the Divine Consciousness and then translates to the Positive Ion that is Visible Light of Ultra Violet BLUE. This Blue Film develops into the Blue Body and the Light Body and the Crystal Body of the Divine Man made in the image and likeness of God.

NOTE- NOW THAT THE DESCRIPTION OF THE SCIENTIFIC UNDERSTANDING OF NEGATIVE IONS HAS BEEN TOUCHED UPON, and the negative ion can be explained as moving water particles, we would like to change the meaning of this term for the New Earth, this new time, this new reality to be termed SPIRITUAL IONS, which are the moving water particles of Liquid Light Crystal Water Falls pouring down the Purple Rain from Cosmic

Consciousness. This Purple Rain turns into Ultra Violet Blue as it becomes visible. We can begin to interact with the Water Fairies within this new bio energetic field of liquid light energy as we raise our frequency of visible light into the blue light. We will call the HE3H20 liquid light energy SPIRITUAL IONS. This term will be the new understanding for all students of the COSMIC MYSTERY SCHOOL OF THE OMNIVERSE. Crystalai

The 12 DNA template is the original IDEA in the Mind of God. This is the negative of the film that will be developed into a picture that can be seen or perceived within the visible light spectrum when it becomes the positive. The negative ion is the purple rain coming down as the heliotalic frequency, and the positive is the visible blue light. This interaction of the negative ion as the flow of liquid light energy flowing through the plasma to create a rainbow where the letters in the light can be viewed as hydrolaise. This can also be viewed as the heliotalic frequency of the fourteenth dimension weaving into the plasma of the eighth dimension and then becoming visible as it reaches the visible light spectrum in the fifth dimension. When this happens we have achieved another very important phenomena on Earth which allows the bio energetic fields to carry a new chemistry.

The new biology and chemistry begins when the water changes from H2O into HE3 H2O, which is the formula of three parts helium into two parts hydrogen into one part oxygen. This is the new bio energetic field of energy that Earth will breathe through her grids from the Sphere of Amenti into the Earth's atmosphere and into the templates of the human biology. This magical substance is called hydrolaise. Crystalai and aDolphino introduced their students to Hydrolaise in 2008 when they interacted with this substance in Monterey. It is easy to mistake this magical substance with the negative ions that are seen and felt when water particles separate in the activity of the water fall, or the tidal waves splashing against the crystal structures, or the mist in the air allowing rainbow streams to manufacture before you very eyes.

This hydrolaise that was seen through the kaleidoscope eyes of Crystalai in 2008 and progressively more and more each day until 2012, when the hydrolaise actually began to carry upon it her very own fire letters of her divine creation. This is the ultimate in hydrolaise activity. Our fire letters are the sub harmonic frequencies - the 12 missing frequency bands between each DNA strand. As I watched these fire letters streaming through the hydrolaise as it interacted with the plasma in the Sun's rays, those very fire letters were braiding within my own DNA strands. This etheric 12 strand template is always created from the divine blue print which always begins with the 12 codes. The 12 codes begin as fire letters which are the most etheric level of Consciousness, which can only be seen with 5th dimensional vision. This divine template is what activates the 12 DNA to become reactivated from within the Earth's biosphere and then She breathes this hydrolaise out into our DNA template so that our fire letters begin weaving our 12 sub harmonic frequencies or fire letters back into our DNA template.

The template is the etheric level of the DNA. The DNA is always the 12DNA template because there are 12 etheric bands of sub harmonic frequencies which create the celestiline bands of transformation within each DNA strand. To the scientific visible light spectrum, the only visible DNA that has been considered is the double helix DNA template. That template is the primary structure of the distorted film placed in the outer domains destruction of the original movie made in the image and likeness of God photography lab.

The true movie made in the Mind of God photography lab was always a 12 DNA template holding the Divine Blue Print of the Complete IDEA that was to be created first as a Cosmic Film of Heliotalic substance, next as Liquid Light Energy from the Universal Sphere, transferred into the x-ray vision that allows the film to flip over into the visible spectrum within the second sphere of Galactic Consciousness. The visible spectrum is within the second morphogenetic field or the second sphere of dimensions 4, 5 and 6. That is the

template where our Taran Race line of the immortal man who never dies, never gets sick and never speaks a negative word to anyone lives.

When we receive the new breathe of fresh bio energetic frequencies that hold the new morphogenetic field of consciousness, our bio energetic field becomes saturated with that new reality. This is a glorious process of making God's movie the way it was supposed to be made. The movie will be made in the image and likeness of God, or with the divine blue print of Divine Perfection within every atomic structure of the body as 12 sub harmonic bands within the first, second and third DNA strands braid together and activate as they create celestiline (the magical blue dust powder of immortality) causing the DNA to braid together causing Ascension into the Second Morphogenetic Field.

Our Divine Guardian Families and Friends have created on Earth the absolute formula for this Divine Miracle to take place upon this Earth between 2012 and 2017. The five year window has already begun. It began that divine moment of December 21, 2012. It was that moment that the frequencies of Consciousness of all 12 Universes aligned into at one ment or Atunement as the Music of the Spheres sang a brand new song through the Cosmos. This alignment had to be completed at a Cosmic level where 13 Cosmos created the Cosmaya Frequency to activate the alignment of the 12 Universes. This alignment was inhaled into the New Negative in the Breath of Source to create a brand new Negative of the picture or the new movie that would be created. This new movie created on the same divine template of the 12 DNA Divine Coded Template was EXHALED into the entire new Cosmos on December 21, 2012.

There is no time in Divine Reality. That means the reality of the new 12 DNA Divine Man made in the image and likeness of God was created on this day. However, the 5DNA negative of that creation also needed to be implanted into the Sphere of Amenti, in order for the Angelic Human to enjoy the Visible Light aspect of the 12DNA template. The second morphogenetic field holds the visible light aspect of the perfect man. This is the field of consciousness where God's Movie can most easily be enjoyed. When we rise into the third morphogenetic field of 7,8, and 9 dimensions, we begin playing in a field of light that is so etheric that it is like a shield of light with a silhouette of forms in it. Beyond that, the spheres of reality become less and less dense until we become pure consciousness with no form at all. Now, that we have redeveloped into the 12 DNA template, we can enjoy all of those morphogenetic fields of Consciousness. We can become invisible light long enough to orb into those other dimensions of reality. It is our new biological chemical structure of the HE3H2O that develops us into the negative ions that allow us to flash into light as our Consciousness becomes trained to activate these states of light by raising our frequencies through our own activity of Consciousness and Breath alignment with the Mind of God. Back to the Fairy Magic. I was told that my new mission on Earth during this window of five years is to see and communicated with Water Fairies or the Aquafarians. The ability to do this requires what I have explained in the preceding article. My Higher Self has reconnected me to this understanding of the Hydrolaise and the HE3H2O or the Spiritual Ionization, as being the first step in creating the morphogenetic field of reality where I can go into and invite Water Fairies into my Consciousness to see them and communicate with them. Fairies cannot live within the distorted water fields that have existed on this Earth. The fairies that some have seen and channeled are those that have been caught within the same messed up movie screen that the rest of us have been living within. We are now responsible for setting those Fairies free as we help them to translate the bio energetic fields into the spiritual ionization needed for real fairies to live in.

We did this same procedure in Monterey, when we were helping the Dolphins and Whales ascend back up into the Cloud Cities as their bodies translated into the Hydrolaise, the mist, the negative ions and finally the HE3H2O within the spiritual Cloud Cities of Higher Earth.

The animals of divine origin such as the Dolphins, Whales, White Belugas, Penguins, Polar Bears, White Fox, and many more have ascended ahead of the Earth because they didn't need to clean out as much Karma as the rest of us. Now, that we have helped them, it is time to help the fairies who will help us. I have also watched the Evergreen trees ascend right before my eyes. They attune into their light bodies right before my eyes. Their light body pops out in front of them and then goes back into their eternal life green body and it looks like evergreen but it glows. That was different than the process we watched the dolphins, whales and belugas go through. We even have a picture of the ascending dolphins on our website.

Children have always been able to see and communicate with fairies easier than adults. Allow your children to guide you in this activity along with a little help from your new understanding of the reality of the existence of fairies, ionization, HE3H20, and the new bio energetic fields we live in. This will help you activate your DNA stranding and your children's DNA stranding. Many of you are already living with the Indigo children who have these magical talents and already have their DNA activated. It is time to start learning from them. They are your key to the kingdom.

Namaste,

(From the Source of all that is within me to the Source of all that is within you),

KHRYSTALAI

(the place where the spark of Source within the Crystal Heart of the Universe flows back to the Spark of Source in the Pre Sound Field)

RETURN OF 12 DNA - A DIVINE SCHEDULED EVENT

CRYSTALAI (2013)

cosmicdolphinmagic.ning.com

(Teachings of the Cosmic Mystery School of the Omniverse)

Point One: 12 DNA- what is it? Where did it come from?

How did we get it back?

12 DNA is the Divine Blue Print of the Human Angelic Race line. That race line began as Oraphims who created the Turaunesiums - of Tara. Our 12 DNA encryption lattice was left in our bodies within the double helix of the visible 3D body. Scientists know that there is something there. They call it junk DNA because they can't actually see it in 3D terms. The Taran Race was living in the Aquari Matrix in Harmonic Universe two. The Elohim Angels of Gaia live in Harmonic Universe Three through the Universal Consciousness of Harmonic Universe Four.

Angelic Humans are the race line created from the 12 Coded Divine Blue Print or the 12 DNA structure. The Elohim Angels stored that 12 Coded DNA until it would be safe to restore it to our bodies. The original scheduled time of the Star Gate Activation Cycle that would allow the return of the 12 Coded DNA was 22, 346 BC.

The last Star Gate Activation Cycle before that possible date was 208,216.

December 21 ,2012 was the date chosen by the Elohim and other Guardian Races for beginning the Stargate Activation Cycle. The Star Gates were already opened. They were opening about one per year for the past 12 years --approximately. The Activation Cycle is the activation of that potential. The Elohim Angels had placed Seals on each of the 12 stargates back in 22,346. Those Seals were blocking the Source Flows called Eiron Flows of Electromagnetic Energy into our Chakras.

On that divine date, the Seals that have been blocking the Eiron Flows of all of the stardust from all 12 stargates were removed. That scheduled date by the Elohim Angels was a promise that they made to us about 22, 346 BC, when they froze our 12 DNA , which would be returned to us at a time that was most appropriate to our spiritual growth. If they had

activated our 12 DNA back in 22, 346 BC , we would had ended up as a completely removed species of the universe -- that is another very long story. That would had been the result of overloading the Earth with more frequencies than she was able to hold at that time. Since then there have been countless problems added to the original reason for putting our scheduled 12 DNA return on hold. The most recent one has been the Zeta's presence and inner control through sound wave barriers, and the Nibiru Electromagnetic Technology that has created a NET around the very Encryption Lattice that holds the 12 Coded DNA in our bodies.

As a result of 3D scientific understanding, most people think DNA is something that will be regained over centuries of consciousness development. That 3D reasoning comes from the exact same Inner government control that has allowed the Zeta and the NET to remain on the Earth. That Government has done everything to lock the Human Angelic Consciousness in a 3D prison. Everyone thinks the government is here to take care of them when in fact most of them are the representatives of the Fallen Angelics who are here to take our Souls.

The holders of our 12 DNA are our Soul Matrix. They are our family, creators and guardians. They are the Elohim Angelis of HU3. They have been creating the plan, the organizations, and connecting with race lines who could help us overcome the dilemma that their race line has become entangled within.

They have always had a scheduled plan for the return of the 12 DNA template. In fact, the 12 DNA template has always existed within our Soul Matrix, which is who we actually are. It is the return to the enlightenment that will allow us to return our Consciousness into the Soul Matrix that we are a part of that will turn our 12 DNA on the moment that we do this.

We are all created from the Idea of Source. That idea is beyond the matrix of the idea being created. So, let's say this Earth Matrix is a 15th dimensional matrix containing 15 spheres of Consciousness. All of those spheres are a part of the Idea created beyond those 15 spheres, in the Source Field of Consciousness. We are a part of that complete Divine Idea. Within that complete idea, the Universal Consciousness of the 12th Dimension contains the Consciousness Field that connects us to the Electromagnetic Energy Flow of Source.

That 12 Coded Field contains the same Consciousness that is supposed to be flowing through us now. That is what the 12 DNA or the 12 Coded Divine Blue Print is. It is the coded field that all Star seeds originate from.

The star seeds of the Oraphim Race were destroyed, so a new race line was created to replace them - that was the Tarans. The Tarans were almost completely destroyed, so the Elohim Angels stored away their 12 DNA to be returned at a later time.

All Fallen Angelics in the Fallen Milky Way System knew that the return would happen when the Star Gate Activation Cycle began on December 21, 2012. That is the reason they created the NET that would engage the frequencies of Nibiru on that date to set off a series of crystals on the planet that would entrap the entire population in the brainwave fields of the Fallen Angelics for a complete brainwash of the race. That brain washing would include the third world war and massive destruction through what we already saw in small amounts of climatic and earthquake activity.

What really happened on December 21, 2012? This date had been known to all Fallen Angelic Races who wanted a piece of Earth's Stargates since 22, 346 BC. The Fallen Angelics had been making plans for our take over for that period of time, as were the Guardian Races making plans to save our race line, that was to be reactivated on that date. There have been war games played in our Universe as well as all 12 Universes involving the Mass Ascension that would be activated on that date.. We were moved through a time portal to a safe place.

We were originally aligned with the parallel two matrix and then the parallel four matrix, and then five and finally six. Each time the angels realigned our time portals so that we would not be blasted with the Nibiru frequencies, the Fallen Angelics rearranged their war games of take over.

We have been in a Cosmic Chess Game for twelve years. Everything that was scheduled to happen in the Fallen Milky Way Galaxy that would have caused the tidal waves on the California Coast Line, massive destruction of the Planet, etc. actually did happen. It just didn't happen to us because we were moved. The Parallel Two Earth did experience those cataclysms described by Nostradamus. That was the Probable Future of that time. There were many Probable Futures. Those futures changed into Heroic Futures day by day over the past 12 years. They happened because of the help we were given by our friends the Ranthians and the Zionites who are experts in time portal manipulation.

One of the Probable Futures that is still being confused with the present reality is the Probable Future of the three day particle shift in 2017. That Probable future changed in 2006. We already had the three day particle shift in 2006. At that time the Guardians needed to have that shift accelerated, as well as everything in the timeline accelerated in order to create the Heroic Future that is now happening.

The Star Gate Activation Cycle began on December 21, 2012 as planned. That was also the date of the scheduled return of our 12 DNA.

The rebirth is the realignment into our 12 DNA coded divine Blue Print. All Star seeds came to Earth with 12 DNA potential. They were upgraded to 24 DNA in 2006. Those Indigo 2's were upgraded to 48 DNA capacity. So what is about to happen is much more than just regaining our 5 DNA over a period of time.

It is a revelation of remembering who we are. We are a part of the Divine Matrix. We are a part of the Soul Matrix that is already made of 12 codes or 12 DNA format. We are always the entirety of that Soul Matrix. We already are that Soul Matrix. We already have 5 DNA. We already have a blue body. I know this is true because I've seen it. We each must engage in the activation and we must work on seeing it.

The easiest way to understand this process is to realize that we are a part of the complete light spectrum- all the way up to the gamma or the plasma. If we focus our consciousness into the Sun we have placed ourselves within the entire Plasma Consciousness of our creation light. The blue light is a result of going into the allness of the light spectrum and then coming back out the center where the invisible light and the visible light spectrums intersect. When we are engaged with that point, we see a blue sphere. That blue sphere is our Soul Matrix. It is our Blue Body self. That doesn't mean that we are only 5DNA. That means that we are the 12 DNA of the Invisible light who is coming down into the visible light spectrum in order to EXPERIENCE the SELF.

We can't be 5th dimensional without being all of our entire 12 coded DNA. We are the complete Soul Matrix. We were just turned off for awhile in order to protect our race to become reactivated at this time.

The activation process is taking place now. I've already experienced it because I have been working on the Star Gate Activation as each star gate opened over the past 12 years. Each time a star gate opened we were able to activate one more strand of DNA. Most of the stargates were activated before December, but several more activated on December 21, 2012. It takes about two weeks for the activations to catch up with our hormones, and about five years for the activations to take place in our chakras. Of course this can be done instantly through the use of alignment techniques given by the Guardians.

The Guardians planned the Star fires to occur far enough in advance that everyone would have 5 DNA strands fully activated by now. However, the Indigos or Star Seeds already had the 12 DNA capacity when they arrived on Earth. That is the reason only other Star seeds are capable of understanding what I am talking about. Those who do not have the coding within them will not be interested and will not be able to understand. Those are the Earth Seeds who will be activated by the Star Seeds.

The activation of the MIRACLE is all about PARTAKING in the Opportunity. Only Star seeds will partake in it because they are the only ones who have the codes in their genes that are awaiting the activation at this time. Each individual will be guided by their Soul to partake in whatever activity is needed at the time it is needed. That reality will begin now that the NET is no longer attached to our consciousness.

THE DIVINE REBIRTH

This reality is the realignment of the Spirit Body which is now rotated 15 degrees clockwise from the Physical template. We can engage in realigning the liquid light spirit body into At One Ment with the Physical Template by breathing Stardust Frequencies from our Aquafarian Families into the Quarks in our Atoms. We align into the Aurora Field of Plasma Energy which is Aquafaria. That is the portal of Oneness of Atunement with our Entire Soul Matrix in Tara and Gaia. That portal is open and available now. Our Aquafarian Family has been sending in Stardust and Singing through my Atoms for five years now. That is why my activations are in high speed.. The Ascension Grid will be reactivated within the Crystals of Earth's Grids as more of our own Stardust Energy flows from Aquafaria into our Atmosphere. The Christ Consciousness is being reborn through each breath we take.
