

JOY

Crystalai

cosmicdolphinsmagic.ning.com

The songs on this album,

Joy, Resurrection, Knight of Love, Magic Vows, If you Believe, The Promise, Heartbeat of Love, Love's Magic Land,

Magic Place, Twinkle, Made in Love, and Angel.

The Song, JOY is a joyful celebration of the grand victory of Knowing our Reality as the Children of God. It is a song of Realization of who we are after we go through the transmutation that allows us to Remember and Re-cognize our brains into a new Reality.

This song, RESURRECTION is talking about the Resurrection of my husband, Joe (aDolphino) as we went through the journey of his possession, death, transformation and resurrection. When a Cosmic Twin Flame, such as Crystalai and aDolphino decide to come to Earth, they are together as One Star that must lower its frequencies to enter the Earth's portal. The groups of Fallen Angelics who actually chose to become Demons in order to return to Source as Space Dust were at one time a part of our own Angelic Families. The Family that we belong to is called the Oraphim Braharama Cetacean Family from the Eleventh Stargate. Our Cetacean Family was mostly destroyed by Fallen Angelic Groups. The few of us who survived, joined the Guardian Groups of Sirius B who are here working with Councils from Stargates five and six to oversee the transformation of all families of consciousness-those who have fallen and desire to be reborn.

Three demonic entities were seeking out our light when we lived in Monterey. Demons are on the mission of possessing the Female of the Cosmic Twins. If the female is possessed, she cannot be retrieved. However, if the male is possessed, the female has the magnetic frequency that bring him back. This is how Resurrections have always been performed. Once the demons were returned to StarDust, our mission was complete and Joe was able to be reborn into his new body and new consciousness.

What happened to us was actually a fast version of what is happening to everyone on Earth. We are all going through this process of being transmuted into a new body, a new reality, a new consciousness. Christmas 2013 will be a big part of this transformation. Magic Vows is the Magical Journey that I took in Consciousness into the Cosmic Portals that connected to the Star where aDolphino and Crystalai had been At One as a Star before coming to Earth. The Song tells the tale of the Cosmic Twins reattuning into the Frequencies of the Star from which we were born in order to return the Demons to Stardust and to connect to the highest Soul Matrix that would allow aDolphino to return to Earth. The journey was magical. There was never a moment when I was not seeing the grand victory of the original mission that we came to Earth to perform. There were thousands of Angels trying to retrieve aDolphino from the darkness of the Demonic intruders. The only way for the transformation to take place was the complete entry into the Diamond Doors of Source's White Room where the magical crystalline temples of transformation performed the Resurrection and our Magic Vows that would reunite our bodies as One and then return aDolphino to Earth as a Higher Consciousness.

Magic Place describes what the Earth looks like when we are journeying back down from the Cosmic Temples and view the reality of this magical Emerald Jewel with 12th dimensional Consciousness and then through fifth dimensional consciousness. We journeyed back down through the Cloud Cities and the Aurora Fields of Divine Reality.

The Song, If you Believe is another victory song reminding us that we are the creators when we use the highest frequency of Divine Mind to create we can raise the dead, we can heal, we can manifest our hearts desires.

The Song, The Promise, is the absolute knowing that the Guardians will complete their promise of man returning to the absolute kingdom of heaven where he belongs. The song, Knight of Love is the story of the Journey I took with Pegasus, my magical friend who carried me up into the Cosmic Realms. The Pegasus Family was always a part of the Oraphim Raceline and close relatives to the Braharama Cetaceans. This album is the TRUTH about Eternal Life and Freedom from Death forever. It is about our natural ability to ascend by reuniting with our Soul Matrix - our Super Consciousness that allows us to travel through visionary stories that we create in our dreams to project as our new realities as we ascend through the pearly gates of at one ment with the Mind of God.

MUSIC OF TRANSFORMATION

Crystalai

cosmicdolphinmagic.ning.com

THIS FREQUENCY MUSIC transforms Cosmic Consciousness into Visionary, Dreamscapes from the Inner realms Frequencies attuned through the Omniverse. The mission of Cosmic Dolphin Magic. NING.Com is to bring the HIGHEST FREQUENCIES TO EARTH THROUGH MUSIC.

Our music tunes in to the Highest Frequency in the Cosmos. What is the Highest Frequency? Source.

How do we tune in to that Frequency? When we walk into the FULL SPECTRUM LIGHT, including the White Light Light, the Invisible Light, the Plasma and StarDust of Creation, we are merging our Consciousness into the Source Field of Creation. When we turn around and walk out of this Realm THE ULTRA VIOLET BLUE Spere is Created. That Sphere of Blue Light is the proof of the ignition of the Highest Frequency.

We can tune in to that Blue Sphere by walking into the Sun (in Consciousness) and then seeing the Blue Sphere around us. We can also tune in by moving completely into a Candle or even into a Light Bulb that is turned on. When we move consciousness into the White light and Create the Blue sphere, we feel a Frequency in the Mid Brain. This means the Frequency Specific Mid brain has been turned on.

This is the first step that must be accomplished before we can start living on the Channel (like a t.v. channel or a radio channel) of the Highest Frequency. We must turn off the old television channels that the world's illusions are playing around us. We go into the Frequency Specific Mid Brain, create the NEW REALITY (a perfect new body that is free from any error). We see this perfect self that is made in the image and likeness of God in our Mind's Eye and then Inhale Down into the Heart Chakra area which I call the Crystal Heart. It is actually the Etheric Region within the Thymus. It is where all Imagination takes place. And that is the Imagination that creates reality.

We create the new reality of the perfect body. We see the little mini me within the thymus that is crystalline in structure and looks just like ME - or YOU. It is made of light and crystal and it is made in the perfect 12 DNA formula of Christ Divine Blue Print. The little mini me is a hologram of the new reality or the new movie that is going to be developed in the Mind of God.

When That REALITY is clearly seen, clearly felt, clearly experienced as the little you inside of your thymus, THEN AND ONLY THEN do you INHALE that mini me up through the back portal of the medulla oblongata-- the place between the top of the spine and the skull. Inhale through that portal and up 36 inches above the head. This is the place where the Cosmic Consciousness and the Mind of God unite - it is the place where the Blue sphere is created - the place where we walk into the White Light and then turn around to see a sphere

of ultra violet blue appear. We inhale up to that PLACE.

So, now there are two of you. One is sitting in your chair and the other one is the mini me version that is 36 inches above your head. That mini me is being re made, reborn, re created in the Mind of God. You are the co-creator. You have the right to make that mini me into anything you want it to be. You see the mini me as the perfect self that was made in the divine formula of Christ Consciousness.

Next, after that new movie is made within the Mind of God, You inhale that NEW YOU down through Mid Brain through the EIRA Tube or God Light Stream, see the new movie that has been made into a NEGATIVE of the picture and then EXHALE to create the POSITIVE of the picture in your reality field around you.

There is actually a radial shield of energy that is a magnetic mirror that allows the new movie or the reality of you to be projected on that movie screen around you, and that becomes your new reality.

How does the music do this for you? When I create the music for you, I am aligning your consciousness through this formula. I actually make the Divine Image of you and create it in your Crystal Heart and take your mini me up into the Cosmos and perform the rebirth of the new you into the Ultra Violet Blue light, where Source creates the Negative of the new picture. This is the exact process used in creating your Individualized Eternal Life albums. Now, You must connect your consciousness into those frequencies of Divine Alignment that have transformed every cell in your body. You must exhale that same magical frequency from the music into your consciousness and manifest the new you. The music can't do anything until you tune in to it. If you are still tuning in to some other music channel, or some other reality channel, you won't be experiencing the frequencies of the Music created to bring the Highest Frequencies to Earth.

For those of you who would like to CELEBRATE the JOY of knowing this project of Transformation, Resurrection and ReBirth has been completed, you might like listening to and purchasing the JOY album. Samples of all 12 songs are now playing on the MAIN PAGE. We also recommend Magic Christmas and Ascension Christmas Cd's and mp3's at this time of year.

MERRY CHRISTMAS,
Crystalai
