

**Me, Myself & I** The ego was created as a survival mechanism when you descended in consciousness during the Fall of Man.

You know this I know this and many here know this. At the point we all know this it's time for MAGIC.

HOLOGRAPHICALLY. It states that the Universe is a mental creation of all of humanity – that is, the collective human consciousness. In other words, Holography is a technique.

The powers that be controlled that technique. They ( the powers that be) actually ware, know how to manipulate the colectieve field.

It's just a ride and the roles are now reversed
