THE HIGHEST FREQUENCY OF LOVE

Please remember that the first step in manifestation is to be in the Highest Frequency. The Highest Frequency is the Mind of God. That frequency comes from the Seven Suns braiding together to form a stardust flow from our bodies to the Sun Ka. That is the where the 14th dimensional heliotalic frequency connects with the Love Element called AhMeena. All creation is performed through Love. When we dwell in Love, we dwell in Abundance. Ahmeena is the deepest level within each of our Atoms and the deepest level within the Cosmic Core where we swim into the Source Field of the Infinite Unknown.

The first step in Manifestation is the same as the first step in Ascension. We must align our frequencies into the Mind of God.

When we are in the Mind of God, we know that all that we could ever desire is already here.

There is nothing to bring into the Mind of God. It is already here. Anything we desire is already here.

All we have to do is raise our frequencies into the level where we realize that there is no

polarization between matter and ante matter or the physical and spiritual or the visible and the invisible.

When we can truly understand that reality, we begin to feel things and see things that we didn't see before. We grow into knowing and believing more and more that there is this entire world of reality that is invisible to us because we have this angle of perception that was placed in us to block this reality.

We remove the block with stardust. We use the stardust flow that is in the Universal life Force Kit and then activated in the Individual in the Eternal Life Albums.

That is the first step to manifestation. We must be in the Highest Frequency. We must be in the Mind of God.

And we must focus on the reality that we KNOW WE CAN SEE because in Reality it is NOT Invisible.

The Visible and Invisible must become One. That is what removing polarity means.

What we think of as invisible is just as visible as what we think of as visible. Neither one of these concepts is true. It is just what we have been trained to believe is true.

We must rise above both of these beliefs in order to remove polarity. We must know that all that is in the entire Cosmos is within the sphere three feet around us. That is REALITY.

That is the reality that Dolphins and Whales can see. They have the perception that removes the space created by darkness.

They have all that is in the mind of God. We don't need to worry about saving whales. They know how to be saved. They are here to teach us. See the true reality and power of the whales and the dolphins. Know them as the Frequencies that are tuning up our perception and blend in with their symphony. That is why they are here.

The Promise of the PERFECT KINGDOM has already arrived. The Divine Blue Print of the Perfect Man created in the image and likeness of God has already arrived. The 12 DNA template of the original Taran, Oraphim, Aquafarian, Paradisian Race Line has been reinstated into the Sphere of Amenti within the Earth's Etheric Core. The Sphere of Amenti is the Morphogenetic Field (Consciousness created by the interweaving of Sound and Light Particles of the Complete Soul Matrix of all Races on Earth).

That 12 DNA template was put into the reactivation cycle on December 21, 2012. That was the date that our Cosmic, Universal and Galactic Founders, Guardians and Creation Race lines chose for this completion because it was the exact date that there would be enough Frequencies in the Body of Earth to hold the implantation of such a huge amount of Frequencies. The Promise of the return of the Sphere of Amenti was postponed for 22,000 years because there were not enough Frequencies in the Earth's template to hold the incoming Star Activation. If they had completed their mission at that time, the Earth would have eventually exploded.

The Perfect Kingdom of the Divine Blue Print of the planetary body and human body made in the image and likeness of God is exactly that. It is a template with a programmed blue print like a piece of film in a camera. The picture of the divine creation was placed on the film through the

Mind of God, first as a negative, which is like a negative ion. Next, the negative is flashed into the Consciousness of the Idea created on the negative and developed into a picture or a positive ion. Unfortunately, when a picture becomes developed in the outer domains of the five spheres of Consciousness, it can be manipulated, distorted and completely damaged by outside sources. This could be likened to what can be done to characters on the movie screen who are morphed into new images by the film editor. That is basically what happened to God's original movie. It got morphed into a completely distorted illusion.

Now, we are re-making God's movie. Now, the original negative of the picture of the man made in God's image and likeness is being put back in the movie camera. Now, that new movie will be played through the restored Earth's Khristiac Grid. The frequencies of the divine blue print, which would be the negative of the picture, or the negative ions, will be dispersed from the Sphere of Amenti ( the camera holding the corrected ionized film with the divine blue print imprinted upon it). Now that camera, holding the corrected movie pictures will flow into the Earth's grids and then into the biosphere of the human angelic template. That bio-energetic field will be filled with the negative ion holding the divine blue print created in the Cosmic Consciousness pre sound and pre light field. This is the point in creation when Source breathes the Divine Idea onto the Heliotalic Plasma, Silver, Pink, Purple, Gold Pastel Frequency Grid of the Negative Ion that comes down from heaven as the Purple Rain of the rebirth of the Divine Consciousness and then translates to the Positive Ion that is Visible Light of Ultra Violet BLUE. This Blue Film develops into the Blue Body and the Light Body and the Crystal Body of the Divine Man made in the image and likeness of God.
